

Dear Friend,

The Milford Junior Major League is a non-profit 501-c(3) organization affiliated with PONY Baseball. **PONY** Stands for **Protect Our Nations Youth**. We are currently seeking sponsors for our **2009** spring season. Last year we had 40 teams ranging in ages from 4 to 15 years old. We are asking area businesses to please help support the children.

We realize times are tough for everyone so we have reduced our spring sponsorship to **\$300**. For your donation you will receive a handsome plaque, which will have a photograph of your sponsored team for you to display. Your business name will be silk screened on your team uniform shirts, and your business will be put up on our web site for all to see. But moreover, you will be helping us provide the area's youth with many great memories that will last a lifetime. We thank you for your time and hope you can help the children.

Please feel free to visit our web site at: www.jml.org

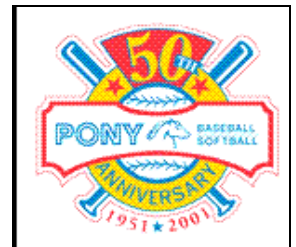

Sincerely, Milford Junior Major League

Please send a business card with your sponsorship.
Detach and send this bottom portion with your check made payable to:

Milford Junior Major League Inc.
